THE WORLD BANK

**UNIVERSITY OF AGRICULTURAL SCIENCES, RAICHUR (UASR)**  
**NAHEP under Innovation Grants (IG) Program**  
(F.No./NAHEP/IG-2016/2019-20)

**NOTIFICATION**  
**International Training for UASR Faculty**

The UASR is implementing a program on ICAR-World Bank sponsored National Agricultural Higher Education Project - Innovation Grant (NAHEP-IG) on "Digitisation of Library for Information Services to Strengthen and Develop Competitive Human Resources at Agricultural University". There is a provision for International Training on the topic digitization, e-resources, ICT initiatives in Agril. Education and Interaction with students related to e-resources. There are options now for international training (online / physical mode) for young faculty working in the above area in any international institutes / laboratory for duration of up to 4 weeks. All the expenses towards the training will be met from the project grant as per the UASR and ICAR-world bank guidelines.

**Selection Criteria and Guidelines**

Interested candidates need to apply in a prescribed format (Annexure-I) along with cover letter through proper channel. The candidate will be selected as per the ICAR guidelines (Office memorandum D. No. 3(13)/202-NAHEP dated 2 June 2021). The candidate fulfilling the following requirements may submit the application to the **Principal Investigator, IG Project on or before 15<sup>th</sup> September, 2021. Softcopy of the same may be mailed to [nahepig@uasraichur.edu.in](mailto:nahepig@uasraichur.edu.in)**

1. Must be permanent faculty of the UASR working in the above mentioned broad research areas
2. The faculty must be less than 50 years of age
3. The candidate must be active in research/teaching with the following publication requirement
  - a. Must have two research paper in peer reviewed journals of NAAS rating more than 6.00 with 10 Google scholar citations
  - b. Must have one NAAS rating paper with more than 6.00 with 20 google scholar citations
4. Must identify the suitable host institute and provide the details of the proposed training at the time of application.
